Financial Policy

We appreciate your payment at the time of service and will except payment via credit card, personal check, or cash. As a courtesy to you, we will process your claim with your insurance company. Please know that insurance is a contract between you and your insurance company. While we may be the service provider, we are not a party to that contract. Covered services are dependent on your individual insurance plan; therefore, some services may not be covered. In some cases, you may be responsible for amounts not covered by insurance, such as the deductible, copayment, coinsurance, and any unpaid balance.

We will make every effort to verify your insurance coverage prior to any procedures and relay this information to you. If you have any questions or are uncertain as to your insurance coverage, please do not hesitate to contact your insurance company or our office for assistance.

Insured Patients: We require that you present a current copy of your insurance card to the receptionist at the time of service. Although we may estimate the amount that you and your insurance carrier owe for services rendered, it is your insurance company that ultimately makes the final determination of eligibility and payment. Once your claim is processed by your insurer, any amounts not covered by insurance will be billed to you.

Private Pay / Uninsured Patients: You are expected to pay the full amount for services rendered at the time of service; if you do not have insurance coverage or your insurance carrier declines to cover the service, Borealis Heart Specialists is not contracted with your insurer; therefore any amounts not covered by insurance will be billed to you.

I certify that I have read and understand this form. I authorize Borealis Heart Specialists to provide medical services to me, as necessary. I authorize Borealis Heart Specialists to use and disclose my medical information for purposes of treating me, obtaining payment for services rendered to me and conducting healthcare operation. For services rendered, I assign Borealis Heart Specialists all medical benefits, if any, otherwise payable to me by my insurer. I authorize the release of all medical information/documents to third parties, to process claims submitted on my behalf and to secure payment of medical benefits. I understand that I am responsible for amounts not covered by insurance, such as the deductible, copayment, coinsurance and any unpaid balance. If I do not have insurance, I understand that I am ultimately responsible for all charges incurred.
